- What is my Why?

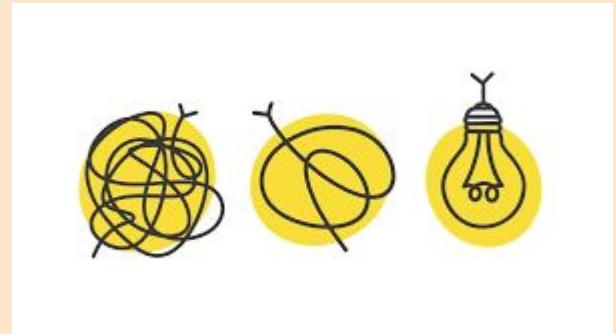

# First Main Point

- ★ Proficient in research and organization
- ★ Knowing how to find credible sources
- ★ Not everyone feels capable of being able to find research
  - ★ Nor does everyone have the time.
- ★ Others can be working on another part and then just bring it all together.

## Second Main Point

- ★ Adaptability and problem-solving
- ★ I stay flexible when challenges arise
- ★ Identify potential problems early and working with others to find practical solutions.
- ★ Listening to others for guidance and improvement

# Conclusion

- This is much more than a group
- Teamwork
- Different backgrounds with different ideas
